

Our Ref: AGA/SCH/EMNCYCLOSURE/002/25

Tuesday, January 21, 2025

Dear Parents/Guardians,

RE: TEMPORARY CLOSURE OF SCHOOL

We refer to our earlier communication on the above subject, dated Sunday, January 19, 2025, with reference number AGA/SCH/EMNCYCLOSURE/001/25.

After careful consideration, management has decided to revise the previously announced reopening date of Wednesday, January 22, 2025. This decision is based on the need to allow calm to fully return to Obuasi to ensure the safety of our students, staff, and key stakeholders.

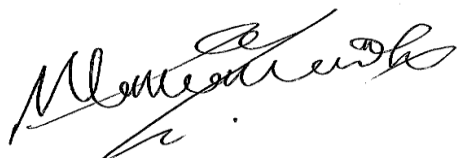

As a result, both AGA School and Williams and Brew School will now resume operations on Monday, January 27, 2025. Management is continuing broader consultations with relevant authorities to ensure the safety and well-being of everyone upon reopening.

We sincerely apologize for the inconvenience this unplanned closure may have caused to your schedules. To make up for the lost contact hours, particularly for our candidates preparing for the Cambridge IGCSE, Checkpoint Examinations, and the 2025 BECE, we will adjust the academic calendar. This will include canceling the mid-trimester break before Easter.

We appreciate your understanding and support during this period and look forward to welcoming all our students, parents, and faculty back to school on Monday, January 27, 2025. We will keep you updated on any further developments.

Thank you.

Yours sincerely,

Simon Peter K. Attah-Cato
